6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

- A. a description of the issuer's business operations;

Merger was incorporated in 1938. The company is listed on the OTC market under the stock symbol "MERC". The corporate office is located at 3714 W. Industrial Loop in Coeur d'Alene, Idaho. Merger has been in the heart of the famous Silver Valley for over 86 years.

Merger is the global leader in the development and use of lasers for mining. This innovative use of lasers and robotics has the potential to change the way mining is done world-wide. Merger's innovative mining methods will lower mining costs significantly and reduce miners' exposure to dangerous situations they typically encounter when using explosives and traditional mining equipment.

Merger's design and manufacture of high tech, state-of-the-art laser arrays which incorporate the use of robotics and highly sophisticated computer programs are specifically designed to achieve maximum production from mines. Merger's laser mining technology brings the traditional mining into the 21st century world-wide.

Merger has world class technical experts to oversee the design and manufacture of the robotic laser mining arrays, and Merger has one of the finest mining engineers in the U.S. to assist the laser design team with his mine design and operational expertise. He will be working closely at any mining location where Merger is testing and fine tuning the laser arrays, and he will be available to assist mining companies that purchase or lease the mining arrays from Merger. Merger's corporate engineering staff has nearly completed CAE (Computer-aided engineering) Modeling of the Scan Head, Test Unit, Characterization Unit and the Merger Miner Unit itself, with engineering documentation well underway. Component suppliers and our manufacturing base are eagerly awaiting release of documentation to move ahead.

Currently, Merger holds a total of 193.2 acres (78 hectares) of patented claims and 40 acres (16 hectares) of unpatented claims (silver, gold, lead, zinc) located in Shoshone County, Idaho. Additionally, Merger also holds 60 acres (24 hectares) of unpatented claims (silver, gold, lead, zinc) in nearby Kootenai County, Idaho, and 500 acres (202 hectares) of unpatented claims (copper, gold, platinum) in Boundary County, Idaho.
